

# Adult Proxy Authorization for Release of Medical Information

## MyChart Adult Proxy Form

### Access to Another Adult's MyChart Record

To request access to the MyChart record of an adult whose medical care you help manage, please complete this form. The patient must sign this form and provide authorization for release of medical information in MyChart on the "Adult Proxy Authorization Form." Please note that the patient's chart will be accessed through your (the proxy's) MyChart record. Completing this form will establish a MyChart record for you and for the patient. In the case of Power of Attorney (POA), an adult individual can gain access by providing appropriate POA documentation to the treating physician.

Return forms to your Franciscan Missionaries of Our Lady Health System Affiliated Provider Office or through a MyChart message to customer service.
